Reviews

Extremely helpful for all type of folks. It generally is not going to expense a lot of. I found out this book from my dad and i advised this book to find out.
(Melany Goyette)

GOD IS NOT CRUEL: AN IN-DEPTH ANALYSIS OF GOD'S APPARENT ACTS OF CRUELTY RECORDED IN THE BIBLE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. Is the God of the Bible a cruel God? Atheists and other unbelievers would quickly reply affirmatively and would then proceed to point out examples from the Bible as evidence that God is harsh and sadistic. First of all, they would point to Noah's Flood, and would ask, "Is a God that wipes out humanity with a flood, or that destroys cities and tribes because they do not reflect His moral standards not cruel and sadistic?" They would also point to other events relating to his own chosen people Israel and even to individuals He says He loved, such as King David, for instance. Of course, to the biblically ignorant and to the ones who do not know the context of all of the above events, it might, indeed, seem that God was harsh and cruel; but not to the biblically literate -- and definitely not to the ones who have spent years studying and understanding the mind of God. This work was written to increase the reader's understanding and appreciation of God's character, His love for righteousness, His great wisdom and His unending love. Above all, it is meant to strengthen the reader's faith and trust in the Almighty, so that he/she may turn to Him with total assurance in the fact that He is a Father who is always fair, just, and loving. To accomplish this aim, this book will analyze many major events that have been used by atheists and others as evidence of God's alleged cruelty; but it will do so in a way that is both original and unusual. Each analysis will begin with the thought-provoking, hypothetical question, "What if God.?" Afterwards every event will be explored in depth as...
