Wipf & Stock Publishers, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. Son of Mary offers new solutions to some persistent exegetical problems in the interpretation of three of the most puzzling passages in the Gospel of John, and does so in a way that illuminates the social-cultural context to the New Testament world. Old Testament resonances are heard here afresh: The miracle at Cana is seen in the light of God's people living without the wine of God's blessing, and Jesus' interaction with his brothers is placed alongside the story of Joseph. Margaret Wesley explores the world of kinship relationships in First Century Palestine, discovering how an understanding of family expectations and obligations can illuminate Jesus' words and actions and guide our relationships within the church as sisters and brothers of one another and as daughters and sons of God. The life, death, and resurrection of Jesus are understood in a fresh way as the creation of a new family. Margaret demonstrates a mastery of current research while drawing on a wide range of primary patristic sources. She shows a respectful yet firm and assertive spirit when dealing with controversy. "Son of Mary makes an important contribution to our understanding of kinship relationships in Jesus' family. Employing a socio-rhetorical approach, [Wesley] describes the make up Jesus' family, and provides a helpful discussion of natural and fictive families . . . She throws new light upon troublesome passages in John's Gospel that recount Jesus' interactions with his mother and brothers. This is a fine book and will greatly reward those who read it." --Colin Kruse, Senior Lecturer in New Testament, Melbourne School of Theology "In Son of Mary, Wesley has effectively drawn on socio-historical scholarship, Patristic perspectives, modern biblical scholarship, and her own careful study of the...
