## VISUAL IMPAIRMENT

2015. Hardcover. Condition: New. 236 About The Book:- This work has been undertaken by the author with the view to create an awareness about people with disabilities in general and people with visual impairment in particular and raise certain issues concerning their welfare in the Indian context. The First Chapter highlights the marked changes in paradigms for defining disability from the individual approach or more specifically the medical model to the social approach. This facilitates to understand the differing expressions...
